Retro WOWYL NIGHT

Portishead
LeRoc

Do you have some records that you'd love to
hear played during the evening? Here's how to
make it happen...

1. Remember where you have stored your record collection for posterity
2. Sort through it and find the ones that have the best memories and are great for dancing
3. Try to choose just a few to bring (we know it is tough but we can't play them all, sadly)
4. Put them lovingly in a bag or box labelled with your name, phone number and a list of the records inside
5. Bring them along on the night and give them to Bill Marna or Heather
6. Have a wonderful evening and jump up and down waving when your record is played!
7. We hope that everyone will go home with their records tucked happily under their arm, but if any go astray then we'll have your name and number so we can reunite you...
